CENTURY CITY, Calif. – Battered. Bloodied. Barely alive...After twenty months in a Chinese prison, Jack Bauer returns home to be thrown back into the fire to experience one more nail-biting, adrenaline-fueled day, racing against the clock and countless intense situations to save the country from a series of nuclear bombs slated to detonate. Continuing to deliver stellar network ratings each week and nominated for two Emmy® Awards this year, “24” **Season Six** explodes onto DVD December 4th from Fox Home Entertainment, just in time for the new season premiere in January.

Always innovative and utterly addictive, the thrilling sixth season of “24” picks up twenty months after last season’s shocking season finale and features even more unthinkable and shocking plotlines that take place in another heart-stopping 24 hour period. Nominated for his sixth consecutive Best Actor–Drama Series Emmy® Award, Kiefer Sutherland continues to ignite the screen as the rugged hero Jack Bauer, along with gripping performances from the series returning ensemble cast, including Mary Lynn Rajskub (“Chloe O’Brian”), James Morrison (“Bill Buchanan”), Jayne Atkinson (“Karen Hayes”), Roger Cross (“Curtis Manning”), Eric Balfour (“Milo Pressman”), Carlo Rota (“Morris O’Brian) and DB Woodside (“Wayne Palmer”) taking over the reigns as the new President. Season Six also welcomed several new actors to the series, including Rick Schroder (“NYPD Blue”), Peter MacNicol (“Ally McBeal”), Powers Boothe (“Deadwood”), Marisol Nichols (“Blind Justice”), Kari Matchett (“Invasion”), Regina King (*Miss Congeniality 2*), Harry Lennix (“Commander in Chief”), Rena Sofer (“Heroes”) and Emmy® Award-nominee James Cromwell (“Six Feet Under”) as the introduction of Jack’s father.

The seven-disc “**24**” **Season Six** DVD set includes all 24 one-hour episodes plus is packed with hours of special features including an exclusive Season Seven preview, over 25 minutes of deleted scenes, numerous cast/crew episode commentaries, more than 20 behind-the-scenes webcast diaries, “Day Six Debrief” mobisodes, several on-the-set featurettes and more. The “**24**” **Season Six** DVD will be available for the suggested retail price of \$59.98 U.S. / \$89.98 Canada.

Synopsis:

After twenty months in a Chinese prison, Jack Bauer is suddenly returned to the United States. But instead of being free, Jack’s release is part of a secret deal: his life in return for the location of Hamri Al-Assad, the leader of a terrorist organization that has unleashed a wave of terror across the country. A broken man, physically and mentally, Jack agrees to the exchange. But when he learns that his new captor, Abu Fayed, is actually the man behind the attacks and that his own sacrifice is meaningless, Jack lashes out and escapes. Now he must convince the President and CTU that the man they are trying to kill may be the only man who can end the rapidly escalating violence.
